Thank you for taking the time to complete this form and hand it into the office. The quality of your child's education and their enjoyment of the time they spend at William Gilpin School is greatly enhanced by the extras that FrOWGS are able to provide. Raising funds for these extras is what FrOWGS is mostly about and the parents who help with the various activities and events find it rewarding when they then see their own child benefiting from something that has been donated to the school by FrOWGS.

Don't forget to keep an eye on the school web site for all up to date information.
